

SUSTAINABLE BY DESIGN

BUILT TO LAST

FROM RTU TO DUCTWORK, CAPTIVEAIRE PRODUCTS ARE
DESIGNED TO PERFORM UP TO 25 YEARS.

IN A WORLD OF SCHEDULED OBSOLESCENCE,
WE BUILD OUR UNITS TO LAST.

Engineered with the highest quality components for peak performance and maximum durability.

Designed with backwards compatibility in mind; future parts and technology upgrades will be compatible with legacy units.

Lifetime service and support through our CASService in-house service team.

Up to 20 year warranty standard (warranty length varies by product).
